About the Book

As your one-stop practical handbook for Professional Legal Language and Practical Skills, the Legal English Manual provides a comprehensive overview of technical legal terminology, collocations, and commonly used phrases across 14 practice areas.

Prepared by experienced and native English-speaking lawyers for an audience of lawyers, prospective practitioners, and other legal professionals, the book includes professional legal English terminology, practice-oriented examples, and sample documents for use in your daily practice.

Under the direction of Lawbility, an experienced professional language-training provider, our team of international legal experts and practitioners, linguists, and legal English coaches

structured the book to provide a legal focus (detailed overview of legal terminology), a language focus (examples of professional usage), and a practical focus (common situations arising in your legal practice).

Advantages at a Glance

Each manual helps you to apply your professional legal expertise competently in various English-language practice situations:

- Practical charts featuring common professional terminology and practice-oriented examples of usage across 14 practice areas.
- Detailed overview, explanations, and tips for drafting contracts in English.
- Practical examples of legal documents, appropriate expressions for practical situations, and customizable templates with explanations, as well as tips for legal writing, including e-mails, client correspondence, and legal memoranda.
- Checklists for client presentations, consultations, contract negotiations, interviews, and more.

About the Book

The publisher of the successful practical handbook The Legal English Manual is back with two new course books, which Lawbility has developed and applied in their Professional Legal English & Practical Skills Training since 2010: The Legal English Course Book Volume One/Two. The practical self-study material and the interactive lessons teach professional business language skills and legal terminology for its application in real-life situations. Besides that, you will be efficiently and professionally preparing yourself for the PLEPS Legal English Examination. Volume One contains professional language training including relevant grammar, along with practice examples, as well as an exam preparation for crash courses. Volume Two is an intensified continuation of Volume One.

The team of authors is made up of Lawbility Legal English Coaches and internationally practicing lawyers, who functioned as linguists, legal experts and practitioners and have given the body of work its three emphases, namely a language focus (with examples of professional language), a legal focus (with a reference section for legal terminology) and a practical focus (application examples for professional situations).

Advantages at a Glance

- Course material from tried and tested legal English course concept
- Teaches oral and written professional languages competences
- Suitable for self-study and group lessons through different forms of training including solution proposals
- Suitable for use in legal English courses at universities, in law firms and legal departments
- Efficient and professional preparation for PLEPS Legal English examination
- Teacher's Handbook with useful methodical tips and Train The Trainer offers for Legal English Teachers available upon request (contact@lawbility.ch)
